

## St. Mary's Day Inter College

### Examination & syllabus schedule

From the academic year which commences from 23<sup>rd</sup> March 2022. The examination policy will be as follows:-

#### For Playgroup , Nursery and Kindergarten

***Children are like flowers, beautiful, delicate and unique. We nourish them so they can bloom and show their brilliance of colour.***

For our little leaders its all about fun- n- learn at school. There is no examination pressure on kids. In order to assess the comprehensive ability of the students oral Assessments and Written worksheet will be taken in month of April , July , September , November, January and March.

Playgroup classes are designed around the overall child's development. The classroom are designed and based on the themes such as wildlife, oceanic, fairy wonderlands etc. So that children find themselves in a very cozy and friendly environment thus making the process of learning easier and faster. We believe that children should not only perform well in academics but also their creativity, thinking capabilities should be developed in an harmonious manner.

We give more emphasis on oral work than written specially in the play group classes. So as to make learning active and effective. The smart classes and different days celebration activities such as monsoon activity, colour day activity, fruit day activity, story telling activity and many more to develop moral values in children. The School continuously works on new and innovative techniques to make education more interesting , effective and stress free. It also provides the tiny tots with fresh energy and make them more confident and extrovert.
